

Chris Williams

"Prizewinning Belgian illusionist"

Based in Llandudno | Close-Up Magic | Corporate Events | Stage Illusion | Stage Magic

Biography

Prizewinning magician and illusionist Chris Williams performs across the full range of the craft, from close-up magic to shows for children and theatre illusion. A magician from Belgium, he is one of the most booked magicians in Belgium and the Netherlands, and is billed at home as the number one booked artist in Belgium.

His repertoire spans close-up, stage and event magic, which means the same performer can work the tables at a drinks reception and then hold a full room from the stage. Children's shows sit alongside the adult material, keeping younger guests part of the entertainment rather than watching from the side. That flexibility suits weddings, galas, corporate parties and family celebrations alike.
