

Christian Lavey

"Mentalist and wedding magician"

Based in Ehlerange | Mentalism

Biography

Christian Lavey works as a mentalist and magician, blending mind-reading with close-up conjuring for celebrations of every size. His wedding programmes are built around the shape of the day, whether that means magic during the drinks reception, something between courses at dinner, or a set piece that becomes the highlight of the evening.

The shows are tuned to wedding parties and entertain young and old alike, full of surprises and genuine emotion rather than distant spectacle. Every year Lavey also brings his corporate show to companies and businesses, and he performs at birthday parties and private gatherings, adapting the programme each time to the room, the guests and the occasion.
