

Christopher Cool

"Award-winning Calgary kids' magician"

Based in Calgary | Comedy Magic

Biography

Christopher Cool is a full-time children's entertainer who has built his show around one simple idea: kids don't want to sit and watch, they want to be part of the show. Named '2026 Best Party Entertainment' by Calgary's Child Magazine, he performs interactive comedy magic for children and family audiences with more than 380 five-star reviews behind him.

Expect plenty of audience participation, music and sound effects, a pop-up backdrop that gives any living room a real theatre feel, and a sidekick called 'Timmy the Toilet Paper' who produces 100 feet of streamers. The birthday child becomes the star, and a dance party and group photo follow the finale. Christopher is fully self-contained for birthday parties, preschools, daycares, camps, school carnivals, fundraising nights and Stampede events.
