

Christopher Grace

"Boston mentalist for polished interactive event entertainment"

Based in Boston | Close-Up Magic | Corporate Events | Mentalism | Stage Magic

Biography

Christopher Grace is a Boston-area mentalist and mind reader who creates interactive entertainment for corporate functions, private parties, trade shows, virtual programs and strolling events. His official site emphasizes clean, customized, audience-led performance and provides a direct booking email and detailed event request form. A current booking profile places him in Boston and describes New England service, while his television credits include Penn & Teller: Fool Us. Grace's strongest discovery tags are mentalism, audience interaction and event-focused stage or strolling work rather than traditional illusion alone.
