

Colin Claus

"Magic Circle close-up magician"

Close-Up Magic | Corporate Events | Parlour Magic

Biography

With over twenty years of professional experience, Collin Claus specialises in visually mind-blowing, street-style magic: high-impact illusions built from cards, coins, spoons and rubber bands. There are no cheesy lines and no props to hide behind - smart black jeans and a rolled-sleeve black shirt prove there is never anything up his sleeves.

A member of The Magic Circle, Collin was a finalist in 2019's Magic Circle Close Up Magician of the Year Competition, and his credits range from The Royal Garden Party at Buckingham Palace to touring the UK promoting Harry Potter VI for Warner Bros. His close-up style suits any occasion where he can mix among guests, including corporate events, weddings, Christmas parties, private parties and special birthdays.
