

Craig Anthony

"Scottsdale Mentalist and Mind Reader"

Based in Scottsdale | Close-Up Magic | Corporate Events | Mentalism | Stage Magic

Biography

Mentalist Craig Anthony works with corporate audiences of every size, blending storytelling with demonstrations of mind power showcasing feats of mental dexterity.

His stage show is built for larger crowds, with theatrical mind reading and predicting choices made by the audience. His parlor set brings mind reading and psychological illusions up close, suiting board meetings, dinners, or smaller corporate functions, while his walk-around mentalism moves through the room and meets guests where they stand. In every format the audience becomes an active participant rather than a spectator. After a luncheon for about 45 people, one client reported that everyone was mesmerized by his mind-reading skills; another group was still talking about what he did.
