

Curt Is Magic

"Saskatoon sleight-of-hand magician"

Based in Saskatoon | Close-Up Magic | Corporate Events

Biography

Curt Is Magic is the act of Saskatoon magician Curtis Strauss, who takes everyday items and builds unforgettable experiences from them, working with sleight of hand, psychology, misdirection, timing, comedy, audience interaction and a lovable charm. What audiences describe, in the end, is something that simply looks like real magic.

These are not uncle Bob's card tricks: the astonishment happens in guests' own hands, and the laughter that follows is half the show. With 15+ years of experience, Curtis is equally at home with 10 guests in a living room or hundreds at a black tie gala, and performs at corporate events, private events and weddings throughout Western Canada. Professional, funny and clean throughout.
