

Dan Kranstz

"Toronto magic and illusion agency"

Based in Toronto | Close-Up Magic | Corporate Events | Mentalism | Stage Illusion

Biography

Dan Kranstz casts nights for Magic Magic, Canada's magic and illusion entertainment agency and home of the Grand Illusion Show - a Vegas-inspired flagship of escapes, levitations and mind-reading, 45 to 60 minutes of theatrical illusion that has headlined Nuvo Toronto and been featured on Breakfast Television and CP24.

Behind him stands a roster of illusionists, mentalists, close-up artists, comedy magicians, hypnotists and fire and specialty performers, each matched to the room: strolling sleight of hand through a cocktail hour, full-stage illusion for a ballroom of 500. The acts have played Casa Loma, Lula Lounge, the Ontario Science Centre and Ripley's Aquarium, and have been booked by Amazon, Google, BMO and the City of Toronto for weddings, conferences, trade shows and holiday parties across Toronto, the GTA and Canada.
