

Dana Pleasant

"Los Angeles close-up magic for live events"

Based in Los Angeles | Close-Up Magic | Corporate Events

Biography

Dana Pleasant is a Los Angeles-based magician specializing in close-up magic. His official site invites clients to add live, intimate magic to an event and publishes a direct booking email, while his Penn & Teller: Fool Us appearance establishes national television experience. The available first-party material is concise, so the profile should stay focused on verified strengths: close-up performance, Los Angeles location and active event availability. It does not yet support broader claims about stage formats, travel outside Southern California, awards or a detailed catalogue of corporate and private services.
