

Danny Cole

"Inventive visual illusion with theatrical precision"

Stage Illusion | Stage Magic

Biography

Danny Cole is an internationally experienced visual illusionist recognized for original methods and a contemporary, theatrical performance style. His official biography records work in more than thirty countries, two Stage Magician of the Year awards from the Magic Castle and two appearances on Penn & Teller: Fool Us, including a successful fooling. His stage work is often presented with partner Stacey. An active official contact page and a current talent-agency listing support bookings for stages, resorts, cruise lines and corporate events.
