Danny H

"Award-winning close-up magician and mentalist"

Close-Up Magic | Corporate Events | Mentalism

Biography

Danny H - Danny Hernandez - pairs world-class close-up magic and masterful sleight of hand with mind-blowing mentalism, delivered with the kind of quick-witted comedy that keeps a room laughing between gasps. He took first place in the Junior Stage category at the International Brotherhood of Magicians competition at just 16, and his work has drawn praise from organizations including Citadel, Warby Parker, LinkedIn and the Chicago Fire MLS team, as well as the attention of David Blaine, Henry Winkler and James Murray of Impractical Jokers.

Danny now travels nationwide, performing at corporate events, luxury private parties, universities and performing arts centers, and closer to home at birthdays and weddings. Each performance is tailored to the audience, venue and atmosphere of the occasion.
