Biography

Saskatchewan magician and children's entertainer Danny Kazam builds his shows from a hilarious sense of humour, amazing magic, lovable puppets and positive messages

His line-up runs from birthday parties and family events to festivals, trade shows and library reading clubs, where his adorable mind-reading monkey, Chico, joins the fun, plus themed Christmas and Halloween Spooktacular shows and the "No Bully Zone" programme for schools. He was a featured entertainer for ReginaCadabra, opening for Eric Leclerc. Jason Redshaw, Library Manager at the Estevan Public Library Branch, rates him among the best children's acts he has booked over the years, and Global Regina morning news anchor Teri Fikowski watched him wow a crowd and wondered how she would follow him.
