

David and Leeman

"Two-person Los Angeles comedy magic and mentalism"

Based in Los Angeles | Comedy Magic | Mentalism | Stage Magic

Biography

David and Leeman are the Los Angeles comedy-magic and mentalism duo of David Blatter and Leeman Parker. An institutional event release confirms the members behind the billing, while a current agency page offers their two-man show for booking and describes an award-winning blend of illusion, pseudo-science, humor and audience participation. Their earlier theatre work included Filthy Liars and Magic & Other Dangerous Things, and they later appeared on national television. Agency representation supports active event enquiries, although no dependable current performer-owned site was found.
