

David Copperfield

"The Greatest Illusionist of our Time."

Based in Las Vegas | Stage Illusion

Biography

David Copperfield transformed modern magic into cinematic spectacle. Across more than five decades, he has made the Statue of Liberty disappear, walked through the Great Wall of China, staged an escape from Alcatraz and appeared to fly-creating some of the most iconic illusions ever seen. His fusion of grand-scale wonder, theatrical storytelling and emotional intimacy has earned more than 21 Emmy Awards, 11 Guinness World Records, a star on the Hollywood Walk of Fame and recognition by the Library of Congress as a Living Legend. Few performers have shaped the public imagination-or the art of magic-more profoundly.
