

David Goldrake

"Illusionist & International Man of Mystery"

Based in Las Vegas | Close-Up Magic | Mentalism | Stage Illusion | Stage Magic

Biography

A rare and intriguing polyglot, David Goldrake unites the ancient traditions of the magical arts with his own modern, international style, and speaks 7 languages fluently - a magician, speaker and actor whose work has reached audiences all over the world.

Billed as The International Man of Mystery, he brings his world-renowned illusions to the intimate setting of The Magicians Room @ The Linq Promenade, where the evening moves between grand illusions, interactive magic and death-defying escapes performed close enough to feel. That mix of large-scale spectacle and direct audience involvement, delivered in whichever language a room calls for, suits galas, corporate events and celebrations as readily as it does a nightly theatre audience.
