

David Martinez

"Award-winning Bay Area magician and mentalist"

Based in San Jose | Close-Up Magic | Comedy Magic | Corporate Events | Kids & Family

Biography

Award-winning magician and mentalist David Martinez spent nearly two decades as a senior creative at Apple before bringing that craft to the stage. His fun, sophisticated style has taken him to ABC television, SF Sketchfest and events for Google, NVIDIA and Netflix, and in 2026 he was selected as a magician entertainer for FIFA World Cup games in San Francisco and Seattle.

At cocktail receptions he works close-up, with the magic happening in guests' own hands; for a whole room he performs a comedy magic and mentalism show customised to the group, suited to anywhere from 10 to 1000 people. He also offers "Murder by Magic", a murder mystery comedy magic show, and trade show work, alongside hosting for corporate gatherings, weddings and private parties.
