

David Merlin

"Paranormal mentalism, illusion and corporate comedy"

Comedy Magic | Corporate Events | Mentalism | Stage Illusion

Biography

David Merlin performs as The Paranormalist, combining mentalism, illusion and comedy for theatres, corporate events, cruise ships, fundraisers and keynote programs. His official site lists a current 2026 tour, international credits, custom illusion development and direct management contact, supporting an active and bookable profile. His presentation emphasizes apparent mind reading and paranormal experiences while retaining a polished entertainment frame. The site does not clearly establish a current home city, so touring markets should not be converted into a residence.
