

David Nathan

"Award-winning illusionist for events"

Close-Up Magic | Corporate Events | Stage Illusion

Biography

Award-winning illusionist David Nathan builds his shows from the ground up: he invents many of the acts himself, composes his own music and designs and builds his own illusions, work that has taken multiple international prizes.

Guests meet him close up between the tables during a reception, in an interactive stage show of 20 to 45 minutes, or in a full illusion show of quick changes, dancers and startling appearances that makes a striking opening for galas and fundraisers. He has performed in the Ziggo Dome and worked as Magic Consultant on MINDF*CK Live with Victor Mids in 2018, and Funda, Rabobank, Ernst & Young and Samsung have all worked with him. Company parties, brand activations, product launches and weddings suit his modern, ice-breaking style.
