Based in Los Angeles | Close-Up Magic | Comedy Magic | Parlour Magic | Stage Magic

Biography

David Regal is a magician, author, creator, lecturer and television writer whose work bridges performance and behind-the-scenes invention. His official biography records books, original effects, Magic Castle recognition and extensive magic design for The Carbonaro Effect, while a current lecture page offers close-up and stand-up material with an enquiry route. Regal remains active as a creator and educator, and his Fool Us appearance documents his onstage performance. His official material supports the Los Angeles area but not a precise current residence suitable for publication.
