"Taiwanese cups-and-balls magic with joyful visual comedy"

Stage Magic

Biography

Daxien is a Taiwanese illusionist and magic creator known for a large, comic interpretation of the traditional cups-and-balls plot. His performer-controlled YouTube channel publishes the Fool Us routine, links to an online teaching program and gives a direct email for performance and commercial enquiries. A current specialist product page credits him as the creator of 3 Gods Assembly and describes extensive real-world performance of the material. The evidence supports active work in Taiwan and beyond, but no reliable standalone official website or current city was found.
