

Dee Christopher

"Award-winning London vampire mentalist"

Based in London | Mentalism | Parlour Magic

Biography

Internationally acclaimed vampire mentalist Dee Christopher blurs the line between illusion and the occult, winner of "Best Cabaret Show" at the Edinburgh Fringe Horror Awards 2024 and seen on BBC Three's Killer Magic and as a "Fear Expert" on Dr Michael Moseley's Meet The Humans.

Part séance, part rock concert, the act looks like a mind-reading show, but feels like a horror movie, built on psychology, mysticism, and theatrical macabre. Uri Geller calls him "one of the most skilled and talented mentalists" he has met. Dee appears as a core cast member in London's most popular full time magic show, The Magician's Table, has performed on the Las Vegas strip, and plays late-night runs at The Caves during the Edinburgh Fringe.
