

Derek Selinger

"Story-led magic designed to reconnect an audience"

Close-Up Magic | Mentalism | Stage Magic

Biography

Derek Selinger is a magician, mentalist and speaker who frames his work as story-driven, transformative entertainment. His current official site offers experiences for leaders, dreamers and private hosts, while The Box of Wonders presents an intimate twelve-seat program combining close-up magic, mind reading, food and conversation. Selinger cites performances across four continents, large stages and Penn & Teller: Fool Us, and the site provides an active enquiry form. No explicit current home city or direct email is published, so those fields remain open.
