

Devonte Rosero

"Showtime at the Apollo winner, NYC mentalist"

Based in New York City | Corporate Events | Mentalism | Virtual Shows

Biography

At sixteen, Devonte Rosero won first place at Showtime at the Apollo, and has since headlined over 10,000 shows in 25 cities spanning 4 continents. His mind reading has been performed for Martin Scorsese, Robert De Niro and Mark Cuban, and at events for major brands including Google, Target, Mastercard and Bacardi.

Live in the room or on camera, the act turns on interactive mentalism, with guests drawn in and their own thoughts named back to them. It suits corporate functions, celebrity-studded parties and private celebrations, and works just as well for Zoom events and online meetings. Devonte has also performed at Harvard, was chosen as the featured Magician for Spectrum TV and radio ads, and takes part in Magicians Without Borders, bringing shows to children in refugee camps, orphanages and hospitals.
