

Ding Yang

"Acrobatic dove manipulation with modern visual artistry"

Stage Magic

Biography

Ding Yang is a Chinese stage magician known for an acrobatic, highly choreographed approach to dove manipulation. Specialist coverage of her 2023 Penn & Teller: Fool Us appearance identifies her as the 2022 FISM General Magic second-place finisher and Most Creative Act recipient and notes mentorship from Juliana Chen and Greg Frewin. The episode establishes a distinctive visual specialty, but research did not locate a reliable performer-owned site, current booking route, present city or sufficiently recent career source. Publication should therefore wait for an identity and contact review.
