

Doug Dern

"professional magician and family entertainer"

Based in Highland | Corporate Events | Mentalism

Biography

Comedy magician and mentalist Doug Dern brings over 35 years of stage experience to what he calls the theater of the impossible, combining astonishing mind-reading, classic illusions, and quick-witted stand-up humor. He is also an attorney, and he takes it beyond the evidence.

His full 75-minute production moves fast, with mind-bending psychological feats, visual illusions, thrilling onstage escapes and laugh-out-loud audience interaction that leaves guests actively driving the fun rather than just watching. Doug has performed in hundreds of auditoriums, civic theaters, and corporate events across Michigan and the Midwest, and the show fits holiday parties and galas, corporate banquets and award dinners, and company retreats and conferences, as well as school auditorium evenings engineered to pack the house for music programs.
