

Dr. Kruti Parekh

"India's First Female Mentalist"

Based in Mumbai | Mentalism | Stage Magic

Biography

Dr. Kruti Parekh is a Mumbai-based magician, mentalist, motivational speaker and mind trainer whose current practice centers on interactive corporate entertainment. Her official site offers mind-reading programs, telepathy demonstrations, audience-participation experiences and customized sessions for companies and special gatherings. Parekh has performed internationally for prominent public and private audiences and became the first Indian mentalist presented with an original act on prime-time American television through Fool Us. Direct phone numbers, emails and an enquiry form support current bookings from India and abroad. Promotional superlatives remain attributed to her own materials rather than treated as independent rankings.
