

Dreygon

"Inventive art magic for close-up and parlor audiences"

Close-Up Magic | Parlour Magic

Biography

Dreygon is a magician, artist and creator whose performance style emphasizes original visual ideas and handcrafted presentation. His official site features his Penn & Teller: Fool Us appearance and offers parlor magic for small groups and corporate events, plus close-up entertainment for private parties, graduations and weddings. A current booking form supports active availability. The site does not publish an expanded public name, direct email, travel radius or dependable home city, so the profile should retain Dreygon as the professional identity and leave location open.
