

Ehrlich Brothers

"World-record illusion duo"

Based in Bünde | Stage Illusion

Biography

Andreas and Chris Ehrlich are the world-record magicians behind illusion shows built on a stadium scale. Their brand-new touring production, WONDERWORLD, carries audiences from the infinite cosmos to mysterious underwater worlds, with illusions never seen before, breathtaking effects and magical moments for the whole family.

On 13 June 2026 the Ehrlich Brothers return to a football stadium for the third time, after 2016 and 2019, bringing the special show NO LIMITS to the Deutsche Bank Park Frankfurt in front of 40,000 spectators. The evening promises spectacular world premieres, among them an illusion six years in the making in their magic workshop, which the brothers call the biggest and most dangerous show of their lives.
