

Enterteasement

"Glasgow comedy, magic and burlesque night"

Based in Glasgow | Mentalism

Biography

Enterteasement is a comedy, magic and burlesque night built around some of the best comedians, magicians and burlesque stars in Scotland. It is run and opened by magician Woody - Chris Dinwoodie - a member of The Magic Circle and a multiple award winner, whose own set mixes magic, mind-reading and comedy.

A compere warms the room first, burlesque and variety turns follow, and a headliner closes the night; Des Clarke of Capital Radio has been among the names on the bill. The front row stays safe, drinks arrive by table service, early arrivals are brought free chocolates, and the evening finishes with a raffle and an Act of the Night award. Resident at The Admiral Bar on Waterloo Street from 2012 until March 2023, the show now plays SLAY on Mitchell Street in Glasgow.
