"Award-winning Los Angeles comedy magician"

Based in Los Angeles | Close-Up Magic | Comedy Magic | Corporate Events | Parlour Magic

Biography

Eric Buss was born in Tucson, Arizona. When he was born, the doctors all laughed at him. That laughter gave Eric a rush, and at the age of seven seconds he knew he wanted to make people laugh when he grew up... Later at the ripe age of 8, he learned how to tinker in his dad's workshop. Then, at age 16, he started learning magic tricks. When he successfully merged his passion for building with his magical skills he knew right then and there (according to this Bio) that he wanted to be a professional comedy magician who would build his own original props. He has never looked back.
