"Award-winning close-up magician"

Based in New York | Close-Up Magic | Parlour Magic

Biography

Award-winning magician Eric DeCamps has been amazing audiences for more than 40 years, voted Magician of the Year by The Society of American Magicians and only the second person in the organisation's history to receive the Gold Medal of Excellence for Close Up Magic.

His is a style of intimate conjuring in which the audience becomes part of the performance: a champagne glass, a few silver dollars, a silk cord and a deck of playing cards turn into compelling stories and visual artistry. He has performed at the Magic Castle, the Chicago Magic Lounge and Gotham Comedy Club, and has been engaged by companies including Time Warner, Bank of America and American Express, equally at home strolling close-up at intimate gatherings or presenting a formal show at large corporate events.
