

Eric Eaton

"Comedy magician touring the United States"

Comedy Magic

Biography

Comedy magician Eric Eaton has performed all over the United States, and his experience runs the full range of rooms: street magic for passing crowds, comedy clubs, and theaters.

The show is a unique blend of magic, charm and comedic wit, so the astonishment arrives alongside the laughter rather than instead of it. Working within arm's reach on the street and reaching the back row of a theater call for different skills, and Eaton has built his act on both. Whether the audience is a handful of curious passers-by or a full house, the pleasure is the same: a magician who is genuinely funny company, and who still finds a way to leave the trick unexplained.
