

Florian Zimmer

"Golden Lion Award winner, Neu-Ulm illusionist"

Based in Neu-Ulm

Biography

Internationally celebrated illusionist Florian Zimmer has enchanted Adele, Michael Jackson and millions of people worldwide, and is the only German winner of the Golden Lion Award, presented to him by Siegfried & Roy. His show plays with the dreams of immortality, invisibility and flight, mixing brand-new illusions and spectacular effects with hearty laughter - the SüdwestPresse called it "madness, storms of applause, standing ovations".

At the Florian Zimmer Theater - HOME of MAGIC in Neu-Ulm, the evening begins in the MAGICUISINE restaurant, where Manuela and Marc Schumacher serve a four-course Magic Menu before the curtain rises. It is an evening built for families and for celebrations, with all-inclusive box packages, a stage available for a company's own programme and a 40 m² LED wall for presentations.
