

Frank Everhart Jr.

"Key West comedy bar magician"

Based in Philadelphia | Close-Up Magic | Comedy Magic | Corporate Events

Biography

Frank Everhart is a second-generation close-up magician known for his long-running Comedy Magic Bar at Schooner Wharf Bar in Key West. Drawing on the Chicago-style bar magic of his father, Frank Everhart Sr., he combines sleight of hand, card magic, comedy and direct audience interaction in an informal bar setting.

Everhart first established his own magic bar in St. Louis before bringing the concept to Key West, where he has performed at Schooner Wharf for more than 25 years. Alongside his regular Key West performances, his experience includes trade shows, conventions and private events. His act continues a family tradition of close-up bar magic built around technical skill, quick wit and audience participation.
