

Gambit the Magician

"Close-up and stage magician"

Kids & Family

Biography

Gambit the Magician has been performing for over 20 years, with close-up magic, stage magic or a combined show shaped to fit the room. The style is interactive and fast-paced: unbelievable magic, big laughs and moments that land equally with children, parents and grandparents, so the whole audience shares in the same surprise.

For corporate audiences, Gambit blends polished, professional entertainment with sharp humour and effects built to energize the room and keep clients, teams and guests engaged. He has performed magic at weddings in five countries, moving among guests during cocktail hour, dinner or the reception, and his adult party shows have marked birthdays from 21st through 91st. Summer packages are available for banquet halls, resorts and restaurants.
