

Gatling Magic

"Award-winning stage and close-up magician"

Based in Llandudno | Close-Up Magic | Corporate Events | Mentalism | Stage Magic

Biography

Award-winning magician Gatling Magic blends a classical style with modern, playful performance - solid silver rings that link and unlink, coins vanishing impossibly at the fingertips, and tables made to defy gravity and dance around the stage. Blindfolded Rubik's cube solves and casual mind reading sit alongside the sleight of hand.

His honours include the Dittia Shield for Manipulation and the Theo Speaker Cup for Stage Magic from the International Brotherhood of Magicians, and Best Non-Musical Wedding Entertainment/Act at the Welsh National Wedding Awards. His professional career began in 2008 in a traditional seaside variety show, and he has since played theatres and holiday parks across the North Wales coast and entertained for Asda, Iceland, Honda, Warner Leisure Hotels and ITV - from mix and mingle close-up magic to full stage shows.
