"Award-winning Birmingham close-up magician"

Based in Barnt Green | Close-Up Magic | Corporate Events

Biography

Award-winning close-up magician George Billingham has over 10 years' experience and a style that is neither loud, cheesy nor brash: refined miracles delivered with humour and style, performed inches from the guests. He won a nationwide Magic Competition as a teenager, an honour that took him at 17 to the Magic Circle Club in London.

Now counted among Birmingham's finest magicians, George has spent the last 7 years backstage at Free Radio Live at The Resorts World Arena, entertaining the stars as well as the VIP guests. His magic is suitable for all ages and makes a perfect icebreaker for guests who may not know each other, which suits weddings, corporate events, charity balls, birthday celebrations and private parties alike.
