

Gerald Robinson

"Denver close-up and stage magician"

Based in Denver | Close-Up Magic | Corporate Events | Mentalism | Stage Magic

Biography

Gerald Robinson has been performing magic since his Grandpa, also named Gerald, handed him his first trick at eight years old. Based in Denver, Colorado, he has since performed around the world at events big and small, serving as resident magician at the former Enigma Bazaar and, most recently, as a house magician at the refurbished Casa Bonita in Denver.

His Mingling Magic moves through a room performing mind-bending tricks right in the hands of guests, which makes it a natural fit for cocktail hours, receptions and networking events. His 45-minute stage show is a full-scale performance of magic, mentalism and interactive moments that brings everyone together for a final effect. Sincere and high energy, Gerald suits corporate after-dinner parties, wedding cocktail hours and private house parties.
