

Golden Ace

"Hanover magic and hypnosis duo"

Based in Hanover | Stage Magic

Biography

Golden Ace is the stage partnership of Alexander Hunte and Martin Köster, two magicians and hypnotists who build a bridge between the new and the old world of magic, combining the hypnosis and psychology of modern mentalism with the impressive illusions of classic salon magic.

Objects vanish from the closed hands of guests and reappear, inexplicably, somewhere else entirely; thoughts are read and quietly steered on a journey into the mental world of conjuring. The pair have played sold-out houses at the Saal am Wilhelmplatz and the Spitzboden der Lagerhalle, and toured Germany as a duo whose warmth wins a room from the first moment. Local press has called them true "masters of deception". A natural fit for company anniversaries, staff parties and gala evenings.
