*"Arizona family-friendly comedy magician"*

Based in Mesa | Close-Up Magic | Comedy Magic | Corporate Events | Kids & Family

---

## Biography

A celebrated magician originally from New Zealand and now based in Arizona, Graham Rogers blends humour, mystery and astonishing magic and mentalism into family-friendly entertainment for children and adults alike. His love of magic ignited at the age of seven, and he has been performing across Arizona for more than 20 years.

The shows are interactive by design: guests find themselves on stage, and a vast collection of illusions lets Graham tailor his show to each audience as the room responds. Audience members describe him as entertaining and funny, a performer who wows audiences from 3 to 99+ years old and makes everyone feel like a kid again. He performs at birthday parties, corporate events, family reunions and community events.
