

Grant Freeman

"R-rated Las Vegas comedy magician"

Based in Las Vegas | Comedy Magic

Biography

Comedy magician Grant Freeman is the man behind AN R-RATED MAGIC SHOW, billed as an adult alternative to the traditional Las Vegas magic show, and he has toured across the country to sold-out theaters and rave reviews.

The act blends classic and modern magic illusions with adult-oriented stand-up comedy, and leans hard on audience interaction and raunchy surprises rather than polite spectacle. Great Day Houston called him "Amazing", 12NewsNow went with "Unbelievable", and the Beaumont Enterprise summed the evening up as "A comedy show with a whole lot of magic" ast word only until his grandmother weighs in, having described him as "A four-eyed, annoying little shit". It is a show built for grown-up crowds and nights out with friends who want the laughs as filthy as the magic is baffling.
