"Edmonton Fringe comedy magician"

Based in Edmonton | Close-Up Magic | Comedy Magic | Parlour Magic

Biography

Greg Dodds is a comedy magician and street performer, and a longstanding fixture at the Edmonton International Fringe Festival. His stage show runs 30 to 45 minutes and mixes laugh-out-loud comedy with amazing magic, fast paced and engaging from the first moment.

He also works the room close up, moving between tables to give each group a personalized five to ten minute set of table-side magic. The stage show suits banquets, corporate Christmas parties, award dinners and fundraisers, while the walk-around magic fits restaurants, cocktail parties and charity events. Greg tailors private bookings for weddings, family reunions and dinner parties, scaling to any size of venue from living rooms to banquet halls, and his street act is built for outdoor festivals, street fairs and farmers markets.
