

Harry De Cruz

"Award-winning London magician and mind reader"

Based in London | Close-Up Magic | Corporate Events | MC / Event Host | Mentalism

Biography

Award-winning London magician Harry De Cruz blends a background in stand-up comedy with highly technical sleight of hand and mind-blowing mentalism, in a relaxed, conversational style that feels modern and personal. He co-wrote and performs the Drama Desk winning show 'AMAZE', extended for a fifth time in New York City as of Summer 2026, and has just been announced as Magic Director for Derren Brown's latest show 'Unbelievable'.

By 2026 he had worked in more than 34 countries, from product launches in the United States to celebrations at Soneva Fushi in the Maldives. His close-up magic, performed right in the guests' hands, sits alongside interactive stage shows and event hosting for weddings, private parties, conferences and brand launches. He has played almost every kind of room imaginable, including, rather unexpectedly, two funerals.
