

Harry Maurer

"Award-nominated corporate comedy magician"

Based in Cypress | Comedy Magic | Corporate Events | Parlour Magic | Stage Magic

Biography

Comedy magician Harry Maurer built his reputation on clean, interactive comedy and magic, touring the United States alongside comedy legends Joey Bishop and Jackie Vernon before a four-month engagement in Atlantic City where the show sold out its nearly 2,000 seats each day. Two back-to-back shows at the Golden Nugget Casino brought him an "Atlantic City Entertainer of the Year Award" nomination.

The act blends magic that stuns and amazes audiences with moments where guests experience "impossibilities" right in their own hands, and comedy that keeps people laughing throughout. Harry has performed in casino showrooms around the country and aboard top cruise lines, and his corporate clients include Panasonic Corporation, CitiCorp, Pfizer and Baker Hughes - making him a natural fit for conferences, dinner events and company parties.
