

Harry the Gorillagician

"Deadpan gorilla character magic with unexpectedly nimble hands"

Close-Up Magic | Comedy Magic

Biography

Harry the Gorillagician is a comic magic character built around a gorilla mask, sunglasses, oversized hands and deliberately straight-faced presentation. Reporting tied to his official social accounts identifies the performer's first name as Andrew, notes his work as an elementary-school librarian and volleyball coach and documents school-fundraiser shows and an America's Got Talent audition. His performer-owned website and social profile remain active after a 2025 Fool Us appearance showcasing card and prediction magic. Research did not establish an expanded public name, current home base, direct booking contact or a general event-service offer.
