Herbert & Alyson

"Belgian rural comedy magic starring one remarkably theatrical duck"

Based in Vallmoll, Tarragona, Spain | Comedy Magic | Stage Magic

Biography

Herbert & Alyson is the Belgian comic-magic act created by circus artist, magician and clown Sébastien Dethise with Alyson, his trained duck and theatrical partner. Festival biographies describe Herbert as a warmly rustic character and Alyson as a feathered diva whose personality and misdirection drive an unusual form of visual comedy. Dethise has worked professionally across circus, clowning and magic for more than fifteen years, with the act appearing at international festivals and on Fool Us. A dedicated performer site supports current show enquiries, though no direct booking email or specific Belgian home city was established.
