

Ian Batterbury

"Ontario comedy magician and mentalist"

Based in Brampton | Comedy Magic | Corporate Events | Mentalism

Biography

Known as Magic Ian for corporate and family events and as Mentalist Ian Batterbury for a more elevated night out, this comedy magician and mentalist blends laughter, sleight of hand and mind-reading into one warm, unscripted evening. More than 40 years of professional experience and over 7,000 performances stand behind the act.

This is not a show guests simply watch. Witty mind-reading demonstrations and sleight-of-hand surprises with a comedic twist draw the room in, so colleagues bond over impossible moments and the conversation carries on long after the final applause. Based in Ontario, Canada, Ian performs for corporate functions, galas, private parties and community celebrations, shaping the same interactive experience to suit any crowd.
