Biography

Iñaki Zabaletta is the professional name of Argentine illusionist Carlos Ignacio Zabaleta, an internationally touring magician, author, lecturer and teacher. His official site offers a magic-and-humor stage show and records more than five thousand performances across the Americas, Asia and Europe in Spanish, English and Mandarin. Zabaletta won the 2003 FISM card-magic title and later appeared on Fool Us. Direct Spanish booking contacts support current theatre, corporate and teaching work. The evidence indicates ongoing activity from Spain but does not clearly establish one present home city.
