

Jade

"Magic Castle magician"

Based in San Francisco | Close-Up Magic | Corporate Events | Stage Illusion

Biography

For more than 30 years Jade has been performing in corporate events, special occasions, television shows and theatre stages around the world, and her own pages describe her as "probably the most famous female magician working today". Her act is built on beauty, grace and what she calls "exotic allure", carrying guests into the world of illusion rather than simply showing them tricks.

Her 2026 dates run from Mystique Dining in Folsom to the Outside Lands Music Festival in San Francisco, the Magic Castle in Hollywood and The Loft in South Lake Tahoe, with FLASOMA in Lima, Peru following in early 2027. That same polished, mystifying style travels easily to galas, weddings, company parties and private celebrations.
