

Jake Schwartz

"Savannah Bananas magician and storyteller"

Comedy Magic | Corporate Events | Stage Magic

Biography

Called "The New Face Of Magic" by media outlets across the globe, Jake Schwartz has built a hyper-personable, high-energy act on storytelling rather than on fooling anyone. Rather than pitting magician against audience, his magic makes the guests part of the story, following the mission he sets for every show: Come Together. Be Amazed. Change The Game.

Jake is known for performing in three World Tours with The Savannah Bananas as their Magician First Base Coach, and has performed for fortune-500 companies, World-Series Champions, A-list celebrities, sold-out MLB stadiums and hit TV shows. He appears regularly on television and at corporate events, universities and theaters, taking a select number of shows each month and tailoring the performance to each occasion.
